

Attention Home Users!

Focalpoint knows that your time and money are very important. That's why we strive to provide top-notch service right in the comfort of your own home. We also offer remote support for those pesky annoyances and pickup and drop-off service for those big problems or major upgrades. Don't waste your valuable time dragging your computer to a repair shop! Let us take care of it!

Not only do we offer complete on-site support, we also beat the prices of those other geeks:

	 focalpoint	Those other Geeks
Virus and spyware removal	\$140.00	\$299.99
Security and performance	\$70.00	\$99.99 (Off-site)
